BYST creates opportunities for young people around the country and supports their journey to success and helps to create thousands of jobs. Since its inception in 1992, BYST has played a pioneering role in the development of entrepreneurship across the Nation. Today, the trust with presence in 6 States: NCR, Tamil Nadu, Maharashtra, Telangana, Assam and Odisha, has counselled over 510,000 youth nationwide and supported 6,600 entrepreneurs with financial assistance of over Rs. 233 crore through its Banking Partners. It has also provided mentoring support through its 4,800 trained and accredited mentors who are volunteers drawn from the Industry. These entrepreneurs, in turn, have created employment for over 250,000 people.

Ten percent of BYST entrepreneurs are High-Flyers, who have become millionaires and have won both International and National Awards.

BYST is proud that it’s High-Flyers make a positive impact on the society. They are leading the way in several sustainability areas and BYST wishes for them to continuously raise the bar. We are happy to present the directory of top High Flyers from each region.
High-Flyers Club

The Mission
The basic purpose of this club is to recognise, award and promote BYST supported entrepreneurs who have demonstrated and achieved extraordinary business growth / employment generation. They serve as ambassadors for promotion of youth entrepreneurship across the territory to mobilize and enthuse potential entrepreneurs and act as change agents to growing entrepreneurs.

Meetings
The club meets every quarter to discuss and review its activities.

Identification of Members
Presidents of the clubs are given BYST waistcoat/badges for easy identification in all BYST events in order to create awareness to other youth.

Directory
High-Flyers Directory lists the top performing entrepreneurs supported by BYST. These entrepreneurs can be contacted for any of the services or products they provide. They have been listed region wise in this directory. Our collection of grassroots entrepreneur who have achieved business excellence is indeed unique.
